## GROUND TRANSPORTATION

### *From Pittsburgh International Airport*

There are several transportation options to bring you to campus and/or to the Wyndham Hotel in Oakland:

- **Taxi service.** The average taxi fare from the airport to campus/hotel is about \$60. There are plenty of taxis outside of the airport near the baggage claim area, but if you need to call a service, call Yellow Cab (412-321-8100) or Classy Cab (412-322-5080).
- **Public Bus Transportation with Port Authority Transit (PAT).** The 28X Airport Flyer bus stops in the heart of the Carnegie Mellon campus and typically takes 60 minutes en route from/to the airport. The trip costs \$2.75 one-way and must have exact change. For more information about schedules and rates, please visit the official PAT website – <http://www.portauthority.org/paac/> or call 412-442-2000.
- **Super Shuttle.** Super Shuttle provides shuttle service between the airport and Carnegie Mellon and the Wyndham Hotel. For reservations, contact Super Shuttle at 1-800-258-3826 or at their website – <http://www.supershuttle.com/Locations/PITAirportShuttlePittsburgh.aspx>.

### *To Pittsburgh International Airport*

Unfortunately, taxis are not so plentiful at Carnegie Mellon, and as such, reserving a car service is strongly recommended. We can assist with organizing car sharing for trips to the airport. **If you are interested, please email [sgradeck@andrew.cmu.edu](mailto:sgradeck@andrew.cmu.edu) with your flight's departure time and date by Monday, May 18<sup>th</sup>.**

### *Parking on Campus*

There are two primary options for parking on campus:

- The first option is to park at the East Campus Garage, which is the building marked as P7 on the campus map.
- The second option is to park on Frew Street. Our meeting location is advantageous for this option, as pay stations on Frew Street allow parking for up to 10 hours. However, the cost of parking on Frew Street can be prohibitive. Parking for a day averages \$16. Pay stations require the driver to enter their license plate number, and accept only credit/debit cards or quarters.

Most other parking spaces on campus only allow for 3 consecutive hours of parking at the same rate, so one would need to visit the pay station every 3 hours to apply for more time. Go Mobile PGH is an app that allows one to pay for additional meter time without physically going to the pay station. For more information on this option, visit their site:

<http://www.gomobilepittsburgh.com/>.

The 10-hour pay stations on Frew Street are generally available until 8:30AM, so if you arrive for the meeting before then, there are likely to be parking spaces available.

Supplementary information on parking can be accessed at this site:
